Maybe even better than free.

Our service is completely free for everyone. You can give this download link to your friends by mail or instant messenger. So try our free and simplefilehosting service now. Files can be downloaded from any computer from our high speed servers. Unfortunately, we can't make that part free. Why pay storagefees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within theirapps. There are no restrictions on the number of times a file can be downloaded. Your wallet will be none-the-lighter! Just so we're all 100% clear here: Whenyou share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. If only we could, wesurely would! On the other hand, using file can actually save you money. You don't need any special software installed to be able to download your files. Anyfile in any format can be uploaded and downloaded for free. No account or credit card is required to get started. Keep your files private, or send your downloadlinks only to friends or family. The cost of that data transfer is covered by your internet service or the data plan on your phone. Just upload the file you want toshare with your friends and we send you a download link to your file. Simply upload your file and share the link. We have no file size limit. Files transferredthe old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. It is also allowed to link to the download pagefrom websites and communities. filehosting provides an easy possibility for you to send large files to your friends. This is easy, fast and reliable filehosting!You don't need any kind of premium-accounts. You can upload any type of file (movies, music, documents, images, zip files and more). When you use file, youavoid storing the file you're sending in your cloud storage or mail server. File is free to use with no gotchas and no hidden fees. Alternatively you can choose toshare your download links on blogs, forums and social networking sites. You decide who you want to share your files with. Using file, you can circumventthose limits without paying to upgrade your team chat service.
