Maybe even better than free.

This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Your wallet will be none-the-lighter! Just so we're all 100% clearhere: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. Any file inany format can be uploaded and downloaded for free. Unfortunately, we can't make that part free. We have no file size limit. Alternatively you can choose toshare your download links on blogs, forums and social networking sites. You can upload any type of file (movies, music, documents, images, zip files andmore). No account or credit card is required to get started. There are no restrictions on the number of times a file can be downloaded. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. The cost of that data transfer is covered by yourinternet service or the data plan on your phone. filehosting provides an easy possibility for you to send large files to your friends. Files can be downloaded fromany computer from our high speed servers. Using file, you can circumvent those limits without paying to upgrade your team chat service. If only we could, wesurely would! On the other hand, using file can actually save you money. Our service is completely free for everyone. You can give this download link to yourfriends by mail or instant messenger. File is free to use with no gotchas and no hidden fees. It is also allowed to link to the download page from websites andcommunities. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Why pay storage fees for a file that you justwanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. Simply upload yourfile and share the link. Keep your files private, or send your download links only to friends or family. You decide who you want to share your files with. So tryour free and simple filehosting service now. Just upload the file you want to share with your friends and we send you a download link to your file. You don'tneed any special software installed to be able to download your files.
