service they're providing us. They were very helpful in assisting us with the issues we'r having with either the app they provided us or anything relating to the monitoring. Knowing how prompt they were with their work we've decided to go ahead with them to add on some extra cameras at our place, the technicians who came to do the installation were very professional and reliable. They've delivered what they promised during their initial visit, the person who came for the audit was suggesting us about the camera positions. It's been 1 year since the cameras been installed and I'm very happy with the quality of work they're providing to their customers. David Sawyer 2315 07 Aug 18 Awesome service, great after sales service which really matters. Easy to contact in an emergency and tools given are 100%.

We havent had a single issue with them and now have them at both our sites. Qiang Jiao 0008 13 Jul 18 Thanks Kiwi Security for Excellent CCTV and Alarm Service !! Very friendly team, they even did a free audit before installation. If you looking for professional security company I would highly recommend them. Calvin Martin 0922 22 Jun 18 2 years ago I had my pup stolen from our property, which prompted us to burgular proof our property. After a lot of research and reccomdation from friends and family, we shortlisted 3 different companies and tried getting in contact. Kiwi security got back to us with in 24 hours and they had their security cosultant over the next day. TBH we where a bit secptical at first, as the other 2 from our choice where a much more reputable and long standing companies let's say I am still waiting for a call from them. Kiwi security proved me wrong, they where 100% honest, reliable and customer centric. The consultant Nick helped us get the correct angle on our cameras to minimise blind spots. They monitoring team are amazing!!!! You can expect a call within minutes and sometimes seconds of an activation. Kudos KIwi Security you have my business and my tick of approval. Laurence Paul 0609 24 May 18 Management Hobson Heights 1144 18 Mar 18 If you're looking for reliable, professional and approachable company I will definitely recommend them, their team have not only done the job well but also improved our security system. We are very happy with their service. Little Hearts Childcare 0829 04 Feb 18 My experience with Kiwi Security was very pleasant. I've gone through their website last year in march and called them, the very same day they've arranged for a technician for a free audit for monitoring and cctv installation at my business. I found their pricing was quite reasonable when compared to many other companies, the job was done very professionally and their service was exceptionally good.

Will definitely recommend Kiwi Security to people out there who are look for some good companies. Thanks Fiore On hobson 0232 30 Nov 17 Well done guys for the last week Intercom installation that was a fantastic service. We have been using Kiwi security for CCTV and Alarm Monitoring Services, their security Team is very professional,efficient and Highly reliable. We are happy with their services and would highly recommend. Keep it up Guys! Harmeet Otaal 0046 12 Jun 17 I have been with this company for 3 years, we never had any issues with them and very helpful whenever we had any problem they would quickly respond to our issue. It is very hard to find such a reliable team as most companies just sign up and dont bother maintaining a good customer relationship. Definitely Recommend them. Mahesh Kumar 2333 15 Mar 17 Very friendly and very professional services. Happy as a client. Sameer Rai 0123 10 Mar 17 We have been with Kiwi Security for quite some time and it has been amazing experience since installation of the new system and day to day monitoring. Repeat, press 3 until you hear three beeps to turn stobe off.Very common for small homes and units. Can connect to GSM unit, Mobile Phone or Back to Base Monitoring, it can ring up to three phone numbers and play a "siren tone" down the line so you know the alarm has gone off. You can connect remote controls and the full range of Bosch wireless sensors. This is a very reliable system. It also can SMS you over a normal land line and sends you a text message with the alarm Zones that has activated into the Alarm Panel. eg Lounge room 5 Sensor Alarmed 10.18am. Compatible with the full range of Bosch remotes and wireless sensors. Also can be upgraded to a Prox keypad which allows the user to swipe a tag at the keypad instead of remembering a pin number. Can programmed to

send a SMS to your Mobile. You can arm and disarm the panel from your Mobile Phone. Has a full graphics keypad.
